

GENERAL ASSEMBLY COMMONWEALTH OF KENTUCKY

2005 REGULAR SESSION

SENATE BILL NO. 175

AS ENACTED

TUESDAY, MARCH 8, 2005

RECEIVED AND FILED
DATE March 31, 2005
8:38 Am

TREY GRAYSON
SECRETARY OF STATE
COMMONWEALTH OF KENTUCKY
BY R. Allen

AN ACT relating to the issuance of federal permits by the Natural Resources and Environmental Protection Cabinet.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

- 1 Section 1. KRS 224.16-050 is amended to read as follows:
- 2 (1) The cabinet may issue federal permits pursuant to 33 U.S.C. sec. 1342(b) of the
- 3 Federal Water Pollution Control Act (33 U.S.C. secs. 1251 et seq.) subject to the
- 4 conditions imposed in 33 U.S.C. secs. 1342(b) and 1342(d). *The cabinet may issue*
- 5 *federal permits pursuant to 33 U.S.C. sec. 1344(e) and (g) of the Federal Water*
- 6 *Pollution Control Act, 33 U.S.C. secs. 1251 et seq., subject to the conditions*
- 7 *imposed in 33 U.S.C. sec. 1344(h), (i), and (j).* Any exemptions granted in the
- 8 issuance of NPDES permits shall be pursuant to 33 U.S.C. secs. 1311, 1312, and
- 9 1326(a). *The cabinet shall report to the standing committees of jurisdiction over*
- 10 *environmental protection, and appropriations and revenue, no later than January*
- 11 *1, 2006, on the costs, personnel requirements, and any statutory or regulatory*
- 12 *changes needed to support state assumption of the permitting program under 33*
- 13 *U.S.C. 1344(e) and (g), and the anticipated benefits in permit streamlining and*
- 14 *environmental quality from state administration of the program.*
- 15 (2) The cabinet may certify pursuant to 33 U.S.C. sec. 1341 that applicants for a federal
- 16 permit for the construction or operation of facilities which may result in a discharge
- 17 into the waters of the Commonwealth will comply with the applicable provisions of
- 18 the Federal Water Pollution Control Act (33 U.S.C. secs. 1251 et seq.).
- 19 (3) The cabinet shall not undertake either of the actions authorized in subsections (1) or
- 20 (2) of this section unless the Governor of the Commonwealth has determined that
- 21 such activity will be in the best interests of the environment and the people of the
- 22 Commonwealth.
- 23 (4) The cabinet shall not impose under any permit issued pursuant to this section any
- 24 effluent limitation, monitoring requirement, or other condition which is more

1 stringent than the effluent limitation, monitoring requirement, or other condition
 2 which would have been applicable under federal regulation if the permit were
 3 issued by the federal government.

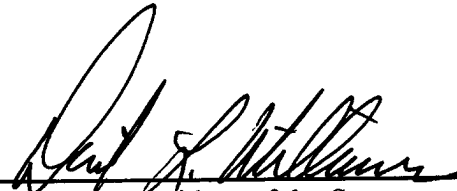

- 4 (5) Nonprofit organizations which have been qualified under Section 501(c)(3) of the
 5 Internal Revenue Code and which operate their own treatment facilities and which
 6 are designated for capacities less than ten thousand (10,000) gallons per day shall be
 7 charged a fee no greater than fifty dollars (\$50) by the cabinet to process a
 8 construction permit, nor a fee greater than twenty dollars (\$20) per year for an
 9 operating permit for one (1) facility. These fees shall in no case be higher than the
 10 fees charged by the cabinet to process permit applications for comparable privately
 11 owned facilities. This subsection shall not apply to any school or waterworks owned
 12 by a water district, water association, or municipality and established pursuant to
 13 KRS Chapters 74 or 106.

14 (6) The following activities do not require a permit issued under 33 U.S.C. sec. 1344.

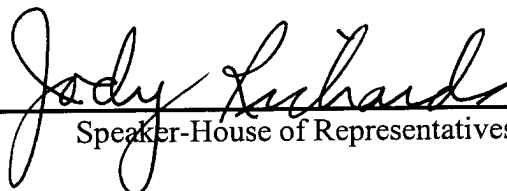

15 The discharge of dredged or fill material:

- 16 (a) From normal farming, silviculture, and ranching activities such as plowing,
 17 seeding, cultivating, minor draining, harvesting for the production of food,
 18 fiber, and forest products, or upland soil and water conservation practices;
 19 (b) For the purpose of maintenance, including emergency reconstruction of
 20 recently damaged parts of currently serviceable structures such as dikes,
 21 dams, levees, groins, riprap, breakwaters, causeways, bridge abutments or
 22 approaches, and transportation structures;
 23 (c) For the purpose of construction or maintenance of farm or stock ponds,
 24 irrigation ditches, or the maintenance of drainage ditches;
 25 (d) For the purpose of construction of temporary sedimentation basins on a
 26 construction site which does not include placement of fill material into the
 27 navigable waters; or

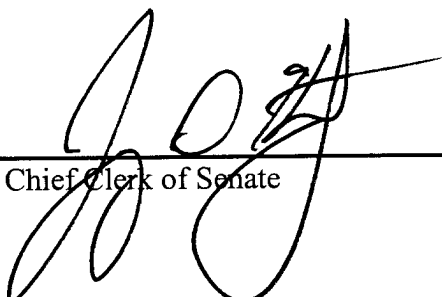

- 1 (e) For the purpose of construction or maintenance of farm roads, forest roads,
2 or temporary roads for moving mining equipment, where the roads are
3 constructed and maintained, in accordance with best management
4 practices, to ensure that flow and circulation patterns and chemical and
5 biological characteristics of the navigable waters are not impaired, that the
6 reach of the navigable waters is not reduced, and that any adverse effect on
7 the aquatic environment will be minimized.
- 8 (7) Prior to assuming delegated authority from the United States Environmental
9 Protection Agency to administer 33 U.S.C. sec. 1344(e) and (g), the cabinet shall
10 enter into a memorandum of agreement with the United States Department of
11 Agriculture (USDA) regarding wetlands delineation on agricultural lands or
12 lands owned or operated by a USDA program participant. The cabinet shall give
13 the same deference to wetlands delineations made by USDA as would have been
14 given by a federal agency administering 33 U.S.C. sec. 1344(e) and (g).
- 15 (8) The cabinet may establish by regulation a fee for processing permit applications
16 under 33 U.S.C. sec. 1344.

President of the Senate
